CONSENT for: 1) use of photograph, video and information 2) to be contacted for research, advocacy or any other purposes

Patient name: …….. ID#.....Date……

It has been explained to me that Rays of Hope Hospice Jinja (RHHJ) is a nonprofit NGO which periodically needs to use images, photographs and videos of patients, alone or with their families for purposes of education/ and training of health professionals, advocacy and in the process of fundraising for patients' care. These photographs and videos may appear in publications, journals, newsletters and on the websites and social Medias of the organization and its donors.

I understand that I will always be asked permission before a photo is taken, and that if I do not accept, it will NOT affect any of the services offered.

I also been explained that RHHJ may wish to contact patients and/or relatives during enrollment or after discharge from RHHJ for their participation in research, advocacy or any other purposes

By signing below I confirm that I understand this consent form, and;

I give RHHJ permission to make judicious use of my/ my child's/ my family's, photographs, videos, and information ☐
